MATH & PHYSICAL SCIENCES (MPS): How to Get Involved with Research as an Undergraduate

Wednesday
MAY 6th
ROESSLER 66
5:30 - 8:00 p.m.

5:30-6:30 Student short presentations
6:30-7:30 Faculty panel on how to get involved
7:30-8:00 Q&A

Pizza and Drinks will be provided.

The Division of Mathematical & Physical Sciences invites all students to a discussion on How to Get Involved in Undergraduate Research.

Hear from several faculty about tips on how to get involved and how or when to approach faculty about research.

Learn from your peers about the kinds of contributions you can make as an undergrad to the groundbreaking research taking place at UCD, and their experiences working with faculty and graduate students on a project.

Don’t miss out on these valuable insights!
