Project Information

Only ONE single PDF file will be accepted. This PDF should include a 1-2 page project summary/description (single spaced with 12-point font) AND a field-specific example of your project (e.g., poster, thesis, etc.). NOTE: Your 1-2 page project summary should clearly demonstrate and effectively communicate to the CAE Committee your independent outstanding contributions to your research/creative activity.

* Project Title:

Please upload your project in PDF format. The file name should not contain anything other than letters and numbers.
To delete or change a document, check "Delete File" and save the form. Upload a new document after saving.

* Project:

Choose File no file selected

**You may upload your project
any time before the deadline.**

Letter Information

Two (2) letters are required (1 from your nominator faculty sponsor and 1 supporting letter) and a third is optional. All letters must be no more than 2 pages, single spaced, and use 12-point font.

You will enter information for your nominating professor and other supporting letter writer(s) and they will each be sent an email to upload the letter directly.

Second Supporting Letter Writer:

Second Supporting Letter Writer's
Email:

Second Supporting Letter Writer's
Position:

**You must be nominated by your faculty
research sponsor (professor); they will
need to submit a nomination letter**

Letters of support may be written by:

- Department chairs
- Program directors
- Faculty members
- Staff members
- Post docs
- Graduate students

Selection Process

- Applications reviewed by CAE selection committee, which includes representatives from all colleges
 - your summary should effectively communicate the goals and significance of your project to faculty/scholars from diverse research areas
- Quality of the overall application materials and research project
- Clearly demonstrate outstanding contributions to research and discovery in discipline
- Independent contributions are emphasized

Instructions for Letter Writers

- Only one nomination letter, per candidate, may be submitted; Students can collaborate to submit a combined/co-signed nomination letter
- One supporting letter is required
 - A 2nd support letter is **optional**
- Letters must be 2 pages or less, 12-pt font, single spaced

Letters of support due Friday, April 16 @11:59p.m.

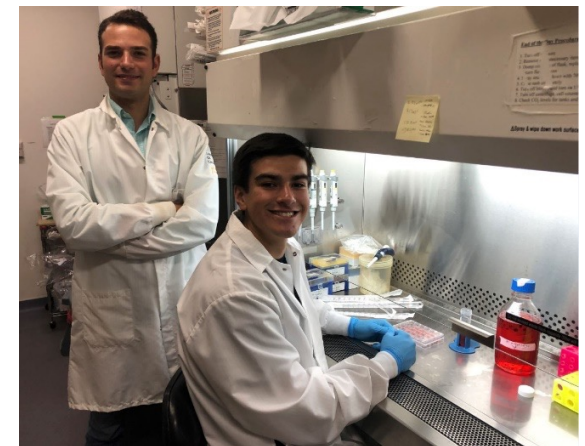

UC DAVIS

Undergraduate Research Center
Office of Undergraduate Education

Helpful Tips

- Decide if you want to inform the person you are nominating, if so, ask for their resume or CV to help write the nomination letter.
- In addition to student letters, also try to get the highest level person available involved
 - e.g., Department Chair or Dean
- The focus of letters should be on **mentoring undergraduate students**, not their research

Deadline Reminder

Application Deadline:
Monday, April 12, 2021
by 11:59 p.m.

Support Letter Deadline:
Friday, April 16, 2021
by 11:59 p.m.

Thank you

...and good luck!
